ARMY
Entertainment

Reach for the Stars with

ARMY
Entertainment

IMCOM-Europe Entertainment is part of US Army Family, Morale, Welfare and Recreation and US Army Entertainment.

For over 70 years we have offered US Service Members, US civilians and their families serving overseas opportunities to participate in and enjoy high quality music and theater programs and education.

Our mission is to improve and enrich the quality of life of Soldiers, Family Members and Civilians with programming designed to:

- **Enhance readiness and resiliency** by reducing stress and isolation, improving personal and team skills and increasing community involvement.
- **Foster positive community interaction and relations, esprit de corps and civic responsibility** through community engagement.
- **Encourage social awareness** and assist in developing host nation relations through important cultural exchange and the participation of local citizens of all nationalities.

There are seven US Army Entertainment Branches at Army Garrisons in Germany, Italy and Belgium. We also support and assist Army and Air Force theater groups in Germany, Italy, the Netherlands and England.

Army Entertainment Branches in Europe operate as full community theaters, offering complete seasons of comedies, dramas, musicals and special events for all ages. Many offer classes for youth and adults in acting, directing, singing and all the theater arts.

Army Entertainment also presents the annual Tournament of Plays (TOPPERS), a theater competition for all Army theaters culminating in an exciting awards ceremony. Army theaters also compete in an annual One Act Play Festival.

Entertainment also presents programs and workshops for the betterment of their communities including Behavioral Awareness and Anti-Bullying workshops for youth and adults and Life Skills Workshops for BOSS (Better Opportunities for Single Soldiers) Program.

There are many ways to be part of US Army Entertainment & join the fun.

Open auditions are held for each event and no previous experience is required.

We are always looking for directors, musicians, choreographers, costume help, carpenters, painters, ushers and more.

It is also a great way to make new friends and get the whole family involved.

Information, contacts, history, mission, and links to each theater can be found at

www.ArmyEuropeEntertainment.com

For more information, contact your local Entertainment Branch or

Dane Winters

IMCOM E Entertainment Program Manager
